

DP Review 30.03.2019 SA

Problem/ Issues found in questionnaire	Explanation
MEN Questionnaire In the past 12 months, felt discriminated MVT22[I]	In questionnaire this variable name is starting with I instead of H . It is recommended to change variable name in the questionnaire with H to maintain the standard. However, this can be discussed with Thailand team.
WOMEN questionnaire Module VICTIMISATION VT20. How safe do you feel walking alone in your neighbourhood after dark ?	In standard questionnaire it is after dark in the question as well as in the response, while in Thailand questionnaire it has been changed with word at night in the response only and not in the question. The word after dark in VT20 question may be replaced with word (at night). However, this can be discussed with Thailand team.
Module VICTIMISATION VT21. How safe do you feel when you are at home alone after dark?	In standard questionnaire it is after dark in the question as well as in the response, while in Thailand questionnaire it has been changed with word at night in the response only and not in the question. The word after dark in VT21 question may be replaced with word (at night). However, this can be discussed with Thailand team.
In the past 12 months, felt discriminated VT22[I]	In questionnaire this variable name is starting with I instead of H . It is recommended to change variable name in the questionnaire with H to maintain the standard. However, this can be discussed with Thailand team.
Children under five Module ANTHROPOMETRY AN12B. What was the birth weight of (child's name)? FROM HEALTH HANDBOOK1 (KG) __ . __ __ __ FROM INQUIRY2 (KG) __ . __ __ __ DON'T KNOW99998	DON'T KNOW99998 AN12BU (unit) is a single response it is recommended to change it with 8 and for AN12BN (weight) change it with 9.8. However, this can be discussed with Thailand team. FROM HEALTH HANDBOOK1 (KG) __ . __ __ __ should be __ . __ FROM INQUIRY2 (KG) __ . __ __ __ should be __ . __
